RE: Request for Letter of Interest

To Whom It May Concern:

Delaware County Children and Youth Services is expanding its use of Family Engagement Models to provide comprehensive services to vulnerable children and their families. Through the increased use of Family Group Decision Making, Family Finding, Crisis/Rapid Response Family Meetings and Youth Transition Conferences, families will be able to develop strong support systems and make meaningful plans to ensure child safety. Youth in the foster care system will have kinship and community resources to provide support and assist them as they prepare for independent living.

This letter is being sent to inquire about your agency's interest in responding to a Request for Proposal regarding these services. If you are interested, please notify Dorothy Stewart, in writing, at Delaware County Children and Youth Services, 1510 Chester Pike, Suite 680, Eddystone, PA 19022. All responses must be received by March 14, 2018.

Thank you in advance for your consideration of this Request for Letter of Interest.

Sincerely,

Deirdre Gordon
