This forum is designed to inform participants about Early Intervention and Early Childhood Mental Health Services in Delaware County. Participants will receive information about accessing the County's Early Intervention Services and Mental Health System. Participants will learn about new integrated services and initiatives and have the opportunity to network with families and collateral systems, staff and services.

- This training is geared towards parents and staff from Delaware County's Child Serving Systems, Providers, and Educators
- There is no registration fee; however, space is limited, pre-registration is required
