+1 669 900 6833 (US Toll)

Meeting ID: 888 510 650

This session is intended for family members who currently have children receiving BHRS/ABA services and/or members receiving BHRS/ABA . Families and members will have the opportunity to ask questions about the overall changes to BHRS and the impact this may have to the service system. We will not be addressing member specific questions in the forum.

Meeting objectives include:

- Review of IBHS regulations
- Review of changes to the BHRS service delivery system
- Review of the Magellan authorization process for IBHS
- Questions and answers

Please direct any questions to IBHS@MagellanHealth.com.
