Service Providers

RE: Request for Letter of Interest

To Whom It May Concern:

Delaware County Children and Youth Services is seeking a provider to deliver short-term, clinical services to children experiencing truancy and their families. The service should have a strong parenting education component. The service would be a diversionary service, with referrals coming directly from school districts, district courts, parents as well as Children and Youth Services. The provider must be able to work cooperatively with officials in the county school districts to identify barriers to school attendance and to develop realistic and measurable goals for success.

This letter is being sent to inquire about your agency's interest in responding to a Request for Proposal regarding these services. If you are interested, please notify Dorothy Stewart, in writing, at Delaware County Children and Youth Services, 1510 Chester Pike, Eddystone, PA 19022. All responses must be received by March 21, 2019.

Thank you in advance for your consideration of this Request for Letter of Interest.

Yours truly,

Deirdre Gordon, M.S.S.
Administrator
