Mission Statement

The mission of the Delaware County Office of Behavioral Health is to assure the provision of a comprehensive array of quality mental health and alcohol and other drug services for eligible children and adults that will assist them to maximize their human potential.

Adult MH Services

Vision Statement

The Adult Mental Health Division of the Delaware County Office of Behavioral Health (OBH) has a vision to assure that each person will receive the highest quality of care by a continuum of services that will promote recovery, independence, and community inclusion. These services will focus on consumer choices and opportunities to encourage the fullest possible potential for a satisfying and fulfilling life.

OBH recognizes the Community Support Program (CSP) Committee for developing the Vision Statement.
