WHAT IS AN EARLY LEARNING RESOURCE CENTER?

An Early Learning Resource Center (ELRC) is a partner with the PA Office of Child Development and Early Learning. The ELRC offers supports for early learning programs and helps families access quality early learning programs.

WHO CAN USE THE

EARLY LEARNING RESOURCE CENTER

Anyone can use the services of the ELRC! The ELRC offers services for families, early learning professionals and community members. Contact your ELRC to find services to help you.

HOW CAN AN EARLY LEARNING RESOURCE CENTER HELP YOU?

WE CAN:

- Help you find the best child care for your child.
- Connect you to services, like Child Care Works that helps pay for child care.
- Share information and supports for early learning programs, like PA Pre-K Counts, Head Start and Early Intervention.

QUALITY CHILD CARE MEANS:

- Your child is safe and secure while you are at school or work.
- Your child's teachers support and challenge your child to explore and learn new things.
- Your child learns skills needed for kindergarten.
- **You and your child feel supported.**
