Delaware County School Based Assessment Program

- A Mental Health Professional (MHP) will be available to assist schools and families in linking students to substance use and mental health treatment and services, removing barriers for help.
- The MVP MPH will provide education and resources to Delaware County school districts.

Delaware County School Based Assessment Program

- Available Monday-Friday: 8:00am-4:00pm. The MVP MHP will present directly to the school to meet with the student and/or family.
- Treatment linkage, education, support, and resources will be provided.
- After hour calls will be coordinated by the MVP 24/7 peer support team.
