Mission Statement

The mission of the Delaware County Department of Human Services, Mental Health Office is to assure the provision of a comprehensive array of quality trauma-informed, evidence-based mental health services for eligible children and adults that will assist them to maximize their human potential.

Adult MH Services

Vision Statement

The Adult Mental Health Office of the Delaware County Department of Human Services has a vision to assure that each person will receive the highest quality of care by a continuum of services that will promote recovery, independence, and community inclusion. These services will focus on consumer choices and opportunities to encourage the fullest possible potential for a satisfying and fulfilling life.

The Mental Health Office acknowledges the Community Support Program (CSP) Committee for developing the Vision Statement.
